Dear Friends in Christ,

Thank you for your generous gift of **\$2,500.00!** Your support of your Seminary's mission of preparing the church's future pastors, missionaries and deaconesses is a great blessing. On behalf of the entire Seminary community, thank you!

The last weeks of the academic year are especially energizing. They include Call Day and Commencement. Those you have helped to prepare for the Holy Ministry will soon embrace their first calls. Still others will begin their vicarage assignments.

Spring also brings special spiritual growth and learning opportunities to campus. To keep up with the latest from your Seminary and access helpful resources, please regularly visit www.csl.edu.

Your prayers and gifts are mightily blessed by our Lord. This ministry would simply not be possible without caring Christians like you. Thank you again.

Most cordially yours,

*We give thanks to the Lord
for you. Blessings!*

Dear Ms. Collard,

On behalf of Concordia Seminary's students and their families, I express my deepest appreciation to the LWML Oklahoma District for the \$2,500 check that we recently received. This check of course was the second and final payment of the District's generous \$5,000 grant to the Seminary's Food Bank, which is a wonderful on-campus blessing to our students, their spouses and their children.

Every two weeks, Cindy Bunte, the Food Bank's coordinator, orders more than 100 different types of grocery, personal care and household items to ensure that the Food Bank's shelves always are fully stocked. As noted in the grant report that we submitted to you in early April, Cindy is a registered dietitian who keeps our seminarian families' health firmly in mind when she places these orders. Her orders thus include considerable amounts of nutrition-dense foods, including meats, fruits, vegetables, whole wheat pasta, various fruit juices and a variety of dairy products.

All of the items stocked at the Food Bank of course are provided to our students at no cost, as we are very mindful that majority of them live on tight budgets as they work to complete their very important studies. They are grateful that the Food Bank not only works to ensure that their nutritional needs are being met, but also that they can use the provided cost savings on groceries and apply them toward their other necessary living expenses as they answer God's call to prepare for the Holy Ministry.

Once more, on behalf of our students and their families, I express my profound gratitude to the LWML Oklahoma District for its vital support of the Food Bank.

In the peace and joy of the Lord,

Tom Evans
